Anyone may borrow up to 10 books or magazines and 5 audio-visual items for a period of 15 days.

If you wish to keep the materials beyond the due date, please bring them to the counter or call us within 15 days. The library staff needs the title of the material you would like to renew and your library card number. When the materials have not been reserved for others, they may be renewed only once.

HOW TO RETURN LIBRARY MATERIALS

Please bring the library materials to the counter by the due date. When the library is closed, you

may slip the materials into the book drop at the entrance. You can also return them by mail. Please return Audio-visual items directly to the circulation desk as possible. When it is unavoidable for you to return CDs, DVDs or video tapes into the book drop, it can be made only if they are wrapped in the provided bubble wraps or soft materials.

You can return the materials you borrowed at the Prefectural library to any of the Saitama Prefectural Libraries (Prefectural Kumagaya, Kuki libraries or Urawa Bunshitsu (circulation point)).
